Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

STATEMENT IN SUPPORT OF PETITION UNDER 37 C.F.R. § 1.47(a)

With respect to the unsigned inventors, the undersigned on many occasions forwarded copies of the reissue application and drawings to the inventors. These attempts began with a series of letters forwarded via DHL to the last known and a few potential addresses of each of the inventors in France. The first letters (Exhibit A) included a copy of the reissue application and a dual French/English Reissue Declaration And Power of Attorney (Exhibit B) with a return post-paid DHL envelope. Signing inventor Michel Scriban executed and returned the Reissue Declaration And

Power of Attorney on 17 September 2002. As detailed below, Mr. Scriban assisted in the communications with the non-signing inventors.

With regard to the non-signing inventors individually, Jean-Baptiste Thiebaut was forwarded a letter, copy of the reissue application, and dual French/English Reissue Declaration And Power of Attorney on August 8, 2002 (See Exhibits A & B). Subsequent to receiving the reissue application, Mr. Thiebaut was contacted via telephone by co-inventor Michel Scriban who attempted to gain his signature on the Reissue Declaration. On October 21, 2002, a second letter (Exhibit C) including a copy of the application with formal filing papers (Exhibit D) was again forwarded to Mr. Thiebaut. Exhibit E is tracking information with respect to the second letter and attachments sent on October 21, 2002 to the non-signing inventors.

A letter, copy of the application, and French/English Reissue Declaration And Power of Attorney was forwarded via DHL to the last known address of Jean-Francois Uhl on August 8, 2002 (See Exhibits A & B). Subsequent to this letter, Mr. Uhl was forwarded a second letter, copy of the application, and formal filing papers on October 21, 2002 to his last known and potential addresses (See Exhibits C & D). As with Mr. Thiebaut, all indications indicate that Mr. Scriban has been in contact and conversation with Mr. Uhl regarding the application. In this regard, Exhibit F represents an e-mail dated August 20, 2002 from signing co-inventor Mr. Scriban to a member of Harness, Dickey & Pierce, P.L.C. indicating that he has been in discussions with regard to the applications with Mr. Thiebaut and Mr. Uhl.

On August 8, 2002, a letter, copy of the application, French/English Reissue Declaration And Power of Attorney was forwarded via DHL to the last known address of

Joël Henrion (See Exhibits A & B). On October 6, 2002, a member of Harness, Dickey & Pierce, P.L.C. received an e-mail letter from Mr. Henrion acknowledging his receipt of the application paperwork (See Exhibit G). On October 21, 2002, a second letter including a copy of the application with formal filing papers was forwarded to Mr. Henrion at his last known address (See Exhibit C & D). On November 2, 2002, a letter was received from Mr. Henrion regarding this matter (See Exhibit H). On November 15, 2002, an e-mail was sent to Mr. Henrion's last known e-mail address addressing concerns he had in his November 2, 2002 letter (See Exhibit I).

The undersigned states that a bona-fide attempt has been made to present a copy of the application including specification, claims, drawings, and Reissue Declaration And Power of Attorney to the non-signing inventors for signature. Although Messrs. Henrion, Thiebaut and Uhl are busy brain surgeons in France, their persistent refusal to return signed documents regarding this matter can only be interpreted as a refusal to assist in this matter.
